JOHN PATRICK P. MACASPAC

jpmacaspac08@gmail.com | 09214354307 | Imus City, Cavite

I aim to pursue a career as a Web Developer, with a particular interest in contributing to the IT industry. I am passionate about creating interactive, visually engaging, and user-focused digital experiences, and I hope to apply my skills in UI/UX design, web technologies, and creative problem-solving to develop immersive game interfaces and front-end systems.

EDUCATION

Cavite State University - Imus Campus **2022 – 2026**

- LTO Compound Palico 4, Imus Cavite
- Bachelor of Science in Information Technology

Unida Christian Colleges **2020 – 2022**

- Unida Street, Anabu 1-F, Imus City, Cavite 4103

Imus National Highschool **2015 – 2019**

- N.I.A. Road, Bucandala III, Imus City, Cavite 4103

Cayetano Topacio Elementary School **2009 – 2015**

- Gen. F. Yengco St., Poblacion IV-C, Imus City, Cavite 4103

EXPERIENCE

Capstone Project - Cavite State University - Imus Campus

- Developed AGRICOOL: An Arduino-Based Automatic Cooling and Heat Index Monitoring System using Arduino Mega.
- Integrated IoT hardware with a web-based monitoring system for real-time temperature and humidity tracking.
- Implemented automated misting and cooling fan control based on heat index thresholds.

Academic Project - Cavite State University - Imus Campus

- Developed a hardware arcade-style **Whack-a-Mole Game** using Arduino Uno (Hardware Developer) – Third Year.
- Developed an **Alumni Management System** with database integration – Second Year.
- Built an **Enrollment Management System** to automate student registration processes – First Year.

Internship – Soonest Global Express Corporation – Las Piñas City

- Encoded and maintained company records and shipment-related data with accuracy.
- Organized and verified documents to ensure complete and accurate records.
- Assisted in preparing reports and managing digital files for daily operations.
- Performed basic IT support, including computer troubleshooting and printer maintenance.
- Created office signages and organized business documents using Microsoft Office and Canva.

SEMINAR AND TRANNING ATTENDED

"Importance of IT Certification"

Cavite State University – Imus Campus Covered Court, Imus City Cavite

---
